TO WHOMSOEVER IT MAY CONCERN

This is to certify that **Mr. G. Sachin** of SSN College of Engineering, Chennai, has worked with me at IIT Madras as an intern from **December 6, 2016** to **January 1, 2017**. During this period, he has carried out microstructural characterization of a cast nickel-base superalloy in different heat treatment conditions. I found him to be sincere and hard-working.
